

KICK THE BALL 

Cycle Challenge

Join Kirkwood Timber Frame in supporting our Managing Director, Malcolm Thomson, as he cycles 150 miles alongside world adventure cyclist Mark Beaumont to raise funds for UCAN, a local urological cancer charity.

1 in 5 men

in North Scotland will be diagnosed with urological cancer.

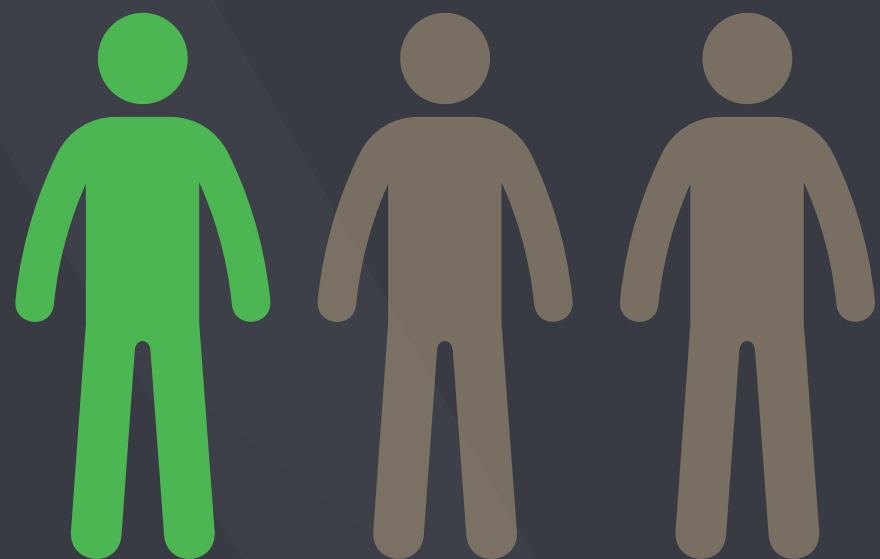

1500 men & women

in the North of Scotland are diagnosed with a urological cancer every year (and 500 will die).

Kirkwood
TIMBER FRAME

1 in 3 men

with prostate cancers in Scotland are diagnosed too late with advanced cancer that can no longer be cured.

**You are 3 times
more likely to be
cured if cancer is
diagnosed early.**
